Re: *Linde v. Arab Bank, PLC*, No. CV 04-2799 (BMC)(VVP) and related cases

Dear Judge Cogan:

The parties jointly request a pre-trial conference the week of July 13, 2015, if the Court's schedule permits. Based on the schedule adopted by the Court, expert depositions must be completed by July 31, 2015, and these depositions will likely take place both in New York and abroad. Setting a firm date for a pre-trial conference will assist the parties in scheduling and preparing for these expert depositions and trial.

Respectfully submitted,

Michael Elsner
